

# The Formula to Finding Your Right Work

---

- **Your Passion and Purpose**: What is it that brings you alive? What is your life purpose?
- **Your Skills and Experience**: What gifts, talents, skills, knowledge and abilities do you possess? What do you need to add to get you to your Right Work?
- **Your Needs**: What specific needs do you have, in terms of money, working environment, schedule?
- **The World's Needs**: Who wants and needs what you have to offer?
