

Mastermind Principles

*We begin every Mastermind Circle
by reading these seven Mastermind Principles*

- | | |
|---------------------|---|
| I Release | I release myself to the Infinite Mind because I am strong when I have others to support me. |
| I Believe | I believe the combined intelligence of the Infinite Mind creates a wisdom far beyond my own. |
| I Understand | I understand that I will more easily create positive results in my life when I am open to looking at myself and my problems and opportunities from a new point of view. |
| I Decide | I decide to release my desire totally to the Infinite Mind and I am open to accepting new possibilities. |
| I Forgive | I forgive myself for mistakes I have made. I also forgive everyone and everything in the past so I can move into the future with a clean slate. |
| I Ask | I ask the Infinite Mind to hear what I really want: my goals, my dreams and my desires, and I hear my Mastermind partners supporting me in my fulfillment. |
| I Accept | I know, relax, and accept, believing that the working power of the Infinite Mind is responding to my every need. I am grateful knowing this is so...And so it is! |

Dedication and Covenant (we read this aloud together)

"I now have a covenant in which it is agreed that the that the Infinite Mind shall supply me with an abundance of all things necessary to live a success-filled and happy life. I dedicate myself to be of maximum service to Spirit and my fellow human beings, to live in a manner that will set the highest example for others to follow and to remain an open channel of Divine will. I go forth with a Spirit of enthusiasm, excitement and expectancy."
